"All Kids Matter" is being planned at Woodland Community College in support of local children placed in foster care.

Sponsored by First 5 Yolo, children, their friends and parents are invited to the Woodland Community College campus Saturday, Nov. 19, between 10 a.m. and 3 p.m. to take part in a variety of educational activities.

The college is located at 2300 E. Gibson Road, Woodland.

Throughout the day kids and parents can interact with local fire, police, ambulance and canine units. Officers and their vehicles will be available and photos are welcomed. There will be bike safety demonstrations and a child identification table.

To round out the day, a variety of art, science and crafts for the kids, will be available, including decorating holiday dough ornaments, constructing family collages, face painting and more.

After taking in the demonstrations and working the crafts, you will be invited to partake of "tea time," provided by Soroptimist International of Woodland, offering sweets and a beverage. There will also be a hotdog cart with the fixings on hand.

"All Kids Matter" is a fundraiser to benefit Yolo County's children in foster care. A donation of \$5 per adult for a maximum of \$10 per family is requested in support of the WCC Foster Care Foundation. Admission is waived for foster families.

Money donated will be used to help support foster family events, including a holiday family celebration and essential shopping for local youth placed into care.

For more information about this event, or foster care and adoption from foster care, call Cherie Schroeder at 574-1964 for information. For general information, go to the website:
