

HELPING PARENTS AND BABIES TO BE HEALTHY, HAPPY, SAFE, AND SUPPORTED

ROAD TO RESILIENCE (R2R) PROJECT

The R2R project offers pregnant persons and parents with children under one-year old special support services tailored to their needs. R2R services are provided through regular visits at a time and place that the family chooses and focus on helping families navigate complicated service systems so they can focus on being great parents. Families that choose to participate in R2R receive compensation for their time through gift cards and other incentives. The R2R Project is offered through a partnership between First 5 Yolo, CommuniCare Health Centers, the Yolo County Children's Alliance, and the Yolo County Crisis Nursery.

R2R supports you so you can focus on what matters most: loving and nurturing your baby

Services are free and tailored to meet the unique needs of your family

Services include regular visits with an R2R team member, at the time and location you choose

Let's build positive and safe beginnings for your children, together!
